Kokomo Winery, Healdsburg: For a chance to sample Kokomo's wildly popular [Grenache Rosé](#) (\$26), request enrollment in the winery's [Drink Pink Society](#). This wine club provides rosé fans the opportunity to purchase two cases of the pink Dry Creek Valley wine each year (orders must be made before June 15th). Non-members can buy the wine at the winery's tasting bar (there's a two-bottle limit) but it sells out fast. Tasting flights are \$10 per person, the [wine & cheese pairing](#) is \$25.
