Varietal:	100% Sauvignon Blanc
Appellation:	Dry Creek Valley
Harvest:	September 2009
Fermentation:	100% Stainless steel fermentation
Barrel Aging:	N/A
Cases Produced:	700 cases
Alcohol:	14.4%

Vineyard Description:

This 100 acre Timber Crest vineyard is located off Dry Creek Road, on the valley floor. The sauvignon blanc actually borders the Dry Creek. Our particular block was farmed so that there was an extensive amount of leaf pull at the basal leaf zone to filter in plenty of sunlight to the cluster.

Winemaker Notes:

This Sauvignon Blanc was made in a traditional style to showcase more of the tropical nature of the varietal. We achieved this by letting the fruit develop more maturity by exposing the clusters to sunlight on the vine. We fermented 100% of this wine in stainless steel at 50° to showcase the crisp, clean flavors of the varietal. This refreshing wine is a perfect summer sipper that would pair well with fresh seafood, seasonal vegetables and an array of ethnic cuisine.
