<b>Fermentation:</b>	75% Stainless steel fermentation, 25% one ton open top fermenters
<b>Barrel Aging:</b>	100% French oak, 30% new
<b>Cases Produced:</b>	900 cases
<b>Alcohol:</b>	14.3%

### Vineyard Description:

This Dry Creek Valley Cabernet Sauvignon is a blend of three different vineyards. Timber Crest Vineyard is located on the eastside bench. These vines were planted in the 60's in the rich/expressive gravelly soil.

Mounts Vineyard is on the west side of the valley. These cabernet vines, also planted in the 60's, are located on a south facing hillside with rich, dark clay soil that provides excellent drainage for the vines.

Mountainview Ranch is the highest elevated vineyard in the valley. These cabernet vines look down on Dry Creek from a top Bradford Mountain. The steep hillside adds tremendous stress to the vines, which translates into intense fruit.

### Winemaker Notes:

Expressive notes of violets, dried bing cherries, and a dusty pepper. A rich palate with nice minerality and strawberry. Long lingering finish with an ample amount of lush tannin. With three unique vineyards, this is a classic example of a complex and balanced Dry Creek cabernet. Will cellar for the next 10 years.
