### Vineyard Description:

Located in west county, 15 miles from the coast as the crow flies, this is the perfect location for Pinot Noir. This vineyard's soil composition is a rich Goldright Sandy Loam. With consistent fog extending hang time, this fruit is fully developed and loaded with complexity. This former Gravenstein apple orchard was replanted in the early 80's by Randy Peters, who paired the right clone with the right vineyard site. The Pinot Noir from our block is the Pommard Clone, which is grown on 5-C and 101-14 rootstocks.

### Winemaker Notes:

This Pinot Noir is done in a Burgundian style with an emphasis on the fruit. With a rich cherry color, it presents a full mouth feel. Boasting a smoky, vanilla aroma and flavors of ripe strawberries and spice, there is an amazing finish with vibrant acidity that lingers long after the first sip. Silky, well-structured and balanced, the fruit carries through to along complex and velvety finish.
