Vineyard Description:

Planted in West Sebastopol, this is a premier location for Chardonnay. This vineyard is next to Luther Burbank's Farm and the soil composition is rich Goldridge Sandy Loam. With the consistent coastal fog extending hang time, this fruit is fully developed and loaded with complexity. The Chardonnay is Dijon Clones 4 & 76, both of which are grown on St. George rootstock.

Winemaker Notes:

This Chardonnay is done in a Burgundian style. Sur lees method and secondary fermentation were used to increase the palate complexity. The cool growing region is the reason for the acidity in this wine. This Chardonnay has pineapple, creme brulee, & honeysuckle aromas. The big, juicy mouth feel is followed by apple pie & vanilla with a clean finish. It should drink well now through the next 5-7 years.
